

# BENJAMIN BRIONES BALLET

*“His work stands out in a world where technique and tricks are often held in high esteem. Briones and company present works that focus on reaching the viewer’s heart, and they find a surprising variety of styles and pathways with which to do this.”*

- Karen Shapiro

## BRIEF SYNOPSIS

Established in New York City in 2012, Benjamin Briones Ballet is a contemporary ballet company that lives and breathes artistic collaboration at its best, working with performers and collaborators of all cultural and stylistic backgrounds. Fierce and beautiful, classically trained ballet dancers inspire the hearts of audiences everywhere they perform, evoking deep emotions through a diverse repertoire of dance and movement. Artistic Director Benjamin Briones envisions his company as “an engine of creativity” that uses dance and the arts to engage minds, ignite hearts, and shape social consciousness. BBBallet collaborates with neoclassical and contemporary choreographers from decidedly diverse backgrounds to create first class balletic works for a groundbreaking contemporary ballet repertoire.
