- Jose Solís, The New York Times

BRIEF SYNOPSIS

Led by Artistic Director Tiffany Rea-Fisher, Elisa Monte Dance shows the celebrated works of choreographer and dancer Elisa Monte while representing a universal new vision for modern dance. With daring, athletic, and passionate movement rooted in classical foundations, Elisa Monte Dance aims to bridge cultural barriers through the art of dance. In this new era, under Rea-Fisher’s direction, the company takes on an edgier image, placing an emphasis on collaborating with distinguished artists across a variety of disciplines while showcasing newly-choreographed works that are relevant to and observant of current global issues and ideas.

Elisa Monte Dance is committed to doing extended international tours. They have been recognized for their extensive reach throughout Europe and the Americas and plans to expand into the Asian market are currently underway.
