New York City-based Guilty Pleasures Cabaret brings sultry charm, feminine energy, refreshing talent, and artistry to the cabaret theater experience. Inspired by the music, dance, and costumes that fulfilled their desires, the show was born. Their shows feature high-energy synchronized dancing and cheeky comedy...just a few guilty pleasures. Produced and directed by a female team, the company’s productions redefine American cabaret. Guilty Pleasures Cabaret’s outreach program inspires others through providing free production and entrepreneurial services to new business owners, aspiring choreographers, and directors.
