*Physical Theatre*

***“A stunning fusion of dance, circus, and physical theatre, with a highly-recommended portion of comedy on the side.”***

**- The Stage**

***“Fun, imaginative, colourful... Liberi Di are having so much fun on stage it’s easy and satisfying to get tangled up in their enthusiasm.”***

**- Edinburgh Festivals Magazine**

#### **BRIEF SYNOPSIS:**

Founded in 2007 in Milan by four renowned acrobatic artists, Liberi Di Physical Theatre combines circus, dance, and physical theatre in visually-exciting, dramatic productions that are entertaining for all ages. Liberi Di Physical Theatre has performed internationally at Edinburgh Fringe Festival and recently toured to New York City, completing a two-week run of their show, “Something” at The New Victory Theater with rave reviews. The company also runs a training center in Milan that teaches anyone the art of acrobatics, aerial dance, and contortion. With three touring programs at the ready, there is something for everyone at a Liberi Di Physical Theatre performance.
